- All regulations relating to health and safety (e.g. fire drill, attendance) must be strictly adhered to.
- Pupils who become ill during the school day must go to be seen by Matron. It will be the Matron's decision as to whether parents should be contacted.
- Pupils may not leave the school site during the day without the permission of the Matron (in the event of illness) or their Head of Year and must 'sign out' at Reception.
- Any pupil arriving at school after registration has closed must 'sign in' at Reception.
- Food and drink should be consumed only in designated areas. (Small bottles of water may be brought into the classroom with the teacher's permission.)
- The use of personal electronic equipment, such as CD and DVD players, and iPods during school hours is not permitted.
- Mobile phones must be switched off inside school buildings. The use of camera function is not allowed.
